

SPS FREE tutoring schedule

Tutoring begins after the third week of school and ends two weeks before the end of the semester. SPS tutors will be happy to help you with course work in Physics 1111, 1112, 2211, 2212; and tutoring is free during selected times listed below. To schedule a private session, please send us an e-mail to SPSatGSU@gmail.com. Please come prepared with attempted problems, have your calculator, notebook, textbook, notes, and writing utensils. The Society of Physics room is located in room 220 *Natural Science Center*. The Fall 2010 schedule is as follows:
